

If you enjoy or want to learn more about quilting, then this is a great group for you!

Quilters WOW! We have over 100 quilts ready to be taken to Ann Arbor. Many thanks to the ladies who come each month to quilt and also thanks to the ladies who take home blocks of material already cut and put them together for tops; Velma Brown has put over thirty quilts together from start to finish at home. Clara Furgason has also put some together from start to finish at home. A couple weeks ago Katherine Sparks sent seven boxes of different size blocks all ready cut and ready to be put together for tops. Many thanks to all the ladies who work so faithfully. We are in need of more sheets for filler and material for backs and to make more squares. Will let you know in the bulletin the number of quilts we send to Ann Arbor in October for World Relief. ~ Madelyn Schafer
