Greetings to you from Kingdom Quest! We have been having so much fun this past month learning about promises that have been passed on to us. We have made a new friend, Gordy, who always seems to be getting into trouble. We have also met a few people from the Old Testament. Abraham, Jacob and Esau have all come to tell us their stories. Attendance has been great. Our numbers have been above 25 every Sunday so far! To God be the Glory! Kingdom Quest is very visitor friendly. Please invite your friends or family that may be looking for a church home. Sunday School is a great place for families to start to get to know Jesus and the people at Emmanuel.

October brings some new visitors to our program as well as a special four part radio broadcast.

## **Sunday School Round-up**

**September 12, 2010**

**9:00 am**

**Are all the children in?**

Sunday School is a time when we introduce our children to Jesus Christ. Every Sunday morning your child will learn a Bible story, memorize age appropriate Bible passages, sing songs, and much more. Through these things your child will grow in their understanding of what is right and wrong, learn to see themselves and others as God's creation, and most importantly grow in their love for Jesus as their Savior.

Do you have a child or know of a child who would love to come to Sunday School? Register them now. Registration is easy. Registration forms will be available in the office, or you can also register over the phone by calling 517-451-8148. Classes are offered for children from birth through High School. We also offer adult and youth confirmation classes and other classes for moms and dads, so that Sunday School can be something for the whole family.
